POSTSCRIPT

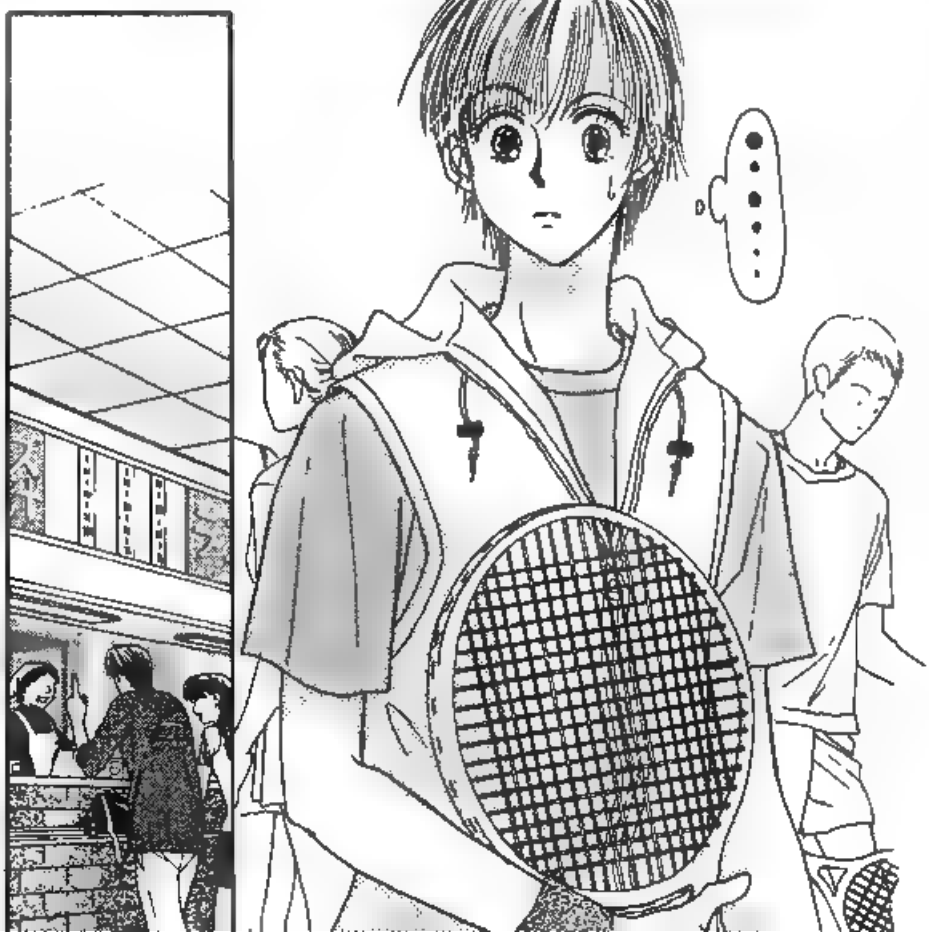
I thank you all for faithfully following this series! Let's take a look at what's instore for you wonderful fans. We would appreciate some feedback from you all. Suggestions will be great too. The first instalment of Love for Venus ends in Chapter 13. The second volume will recommence in Chapter 14.

In the second part, Yuki will play the key character. Kinda odd writing about someone with the same name as me!

It has been fun designing Suzuna's wardrobe. She lives alone and can barely make ends meet, and yet she seems to have this wonderful board of clothing! (It's a wonder what you can do on paper..hehehe)

See you later!



CAN'T YOU TWO JUST LEARN TO GET ALONG...
